Mr. Mike Stoker
Regional Administrator
U.S. Environmental Protection Agency
Region 9
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Stoker:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air pollution control and air quality management districts (Districts):

Mojave Desert Air Quality Management District

Ventura County Air Pollution Control District

Yolo-Solano Air Quality Management District

These SIP revisions consist of amended District rules, as listed in Enclosure A. Also enclosed is CARB Executive Order S-19-008 adopting the Districts' rules as revisions to the SIP. To meet U.S. EPA's criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the Districts.
